YOUR SAFETY COMES FIRST

Remember that the access modes (maximum number of people in the trail for each single lap, specific vehicles, etc.) may vary depending on the type of ride. Therefore, we inform you that our Staff must always evaluate whether the configuration of seats and holding devices or the evacuation procedures in case of emergency enable you to use the ride in total safety or not. Whenever any of these essential safety conditions are not granted, you may be forbidden to access the ride. If your disability cannot be seen, please point it out to us. Even though our Staff are prepared, they cannot know your health condition unless you provide such information, and cannot guarantee you and your family the maximum safety levels. Conditions for accessibility of rides may be modified without prior notice (for example, in case of bad weather and/or due to technical reasons). Finally, to safeguard your health and wellbeing, please observe the Park internal rules and follow all instructions given by Gardaland Staff. The key and the pictograms next to the attractions will aid you to find your way during your visit to the Park.

Attention: for safety reasons, those Guests with reduced mobility, those who are visually impaired or blind, and those with cognitive disability must be accompanied by an adult.
